

# Floor Standing Data Cabinets

Allrack Floor standing data cabinets are super secure, high quality and cost effective 19" racks. Doors and side panels are all lockable and removable thus providing all round access to the entire rack. The mounting profiles are numbered with the "U" size and are fully adjustable. Cable entry is provided from both top and bottom depending on your cable work.

All floor racks are supplied fully assembled as standard. Flatpack racks are available if required however, this will incur additional delivery costs. Please confirm when placing your order.

### **Highlights**

- Loading Capacity: up to 800kg
- Flat Pack: Available upon request subject to additional delivery costs
- **Doors:** Toughened glass doors supplied as standard, Vented doors are available for some of the range. Please call us to confirm if we supply vented doors for your choice of floor cabinet.
- Cable Management: Vertical cable management is provided as standard for all 800mm wide racks

The tempered glass door.

Lockable Rear Door.

Optional Fan tray(2 fans for 600mm,4 fans for 800mm or 1000mm deep rack) allow air low in the cabinet

Lockable and removable side panels.

Easy to assemble solid structure.

Front and rear sets of vertical rails adjust in quarter inch increments. Simply unscrew the rails, adjust them to the required depth and re-

#### Colour:

RAL9005 RAL7035

Material:

SPCC Cold Rolled Steel.

ALL-RACK 2 part hinged 550mm deep racks are our most versatile rack. It can swing open when mounted to a wall providing easy access to the rear of the cabinet. Thus making it easier to install and maintain your equipment. Lockable and removable side panels provide extra security and easy access to the left and right of the rack.

### **Highlights**

- Double section structure Swing frame allows the cabinet to swing away from the wall for easy access to equipments and
- Sturdy welded construction Fully welded and assembled.
- Loading capacity The loading capacity is up to 60KG.

#### **Features**

Welded structure can be easy assembled.

Slots in back ensure convenient and quick wall mounting.

120mm\*120mm fans can be preinstalled on the top cover. Relevant fan tray suit to all safewell wall mounted cabinets. (Brush panel is optional for cable entry panel.)

Swing frame allows the cabinet to swing away from the wall for easy access to equipment and cabling.

Removable side panels simplify your installation of accessories and monitoring of IT equipment.

L-shaped spring pin make it fast to install front door to the frame and easily to change door opening direction.
