

Ubiquiti UniFi Security Gateway Router (USG)

Product Name: Ubiquiti UniFi Security Gateway Router (USG)

Manufacturer: Ubiquiti Networks

Model Number: USG

Ubiquiti UniFi Security Gateway Enterprise Router (USG)

The Ubiquiti UniFi Security Gateway (USG) is an enterprise Gateway router with Gigabit Ethernet that combines advanced security features with high performance routing technology in a compact and cost-effective unit.

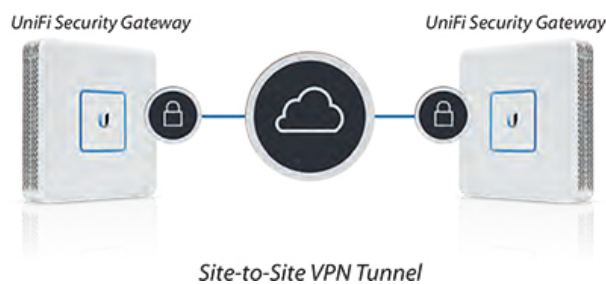

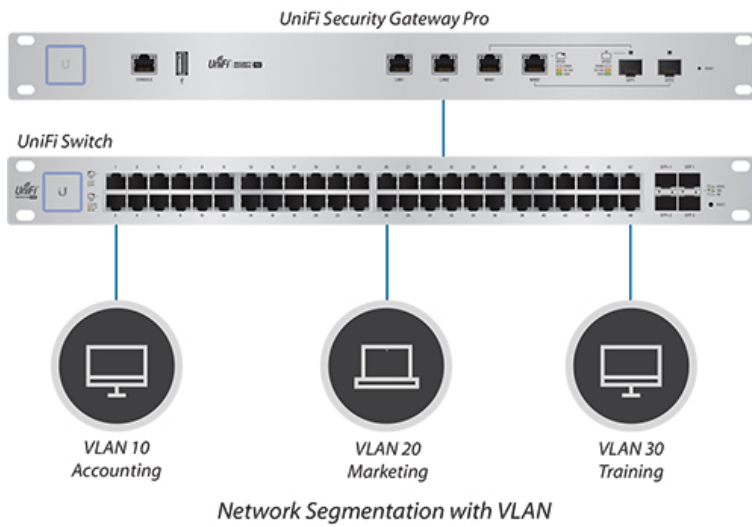

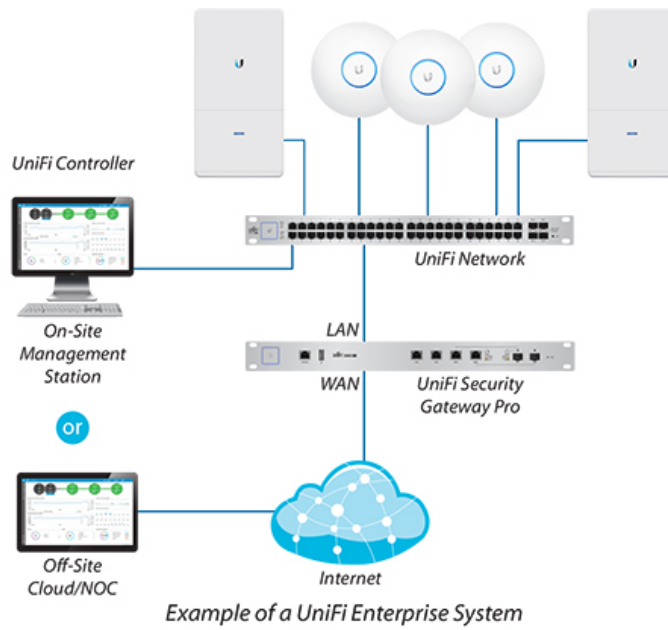

USG is wall-mountable with a dual-core, 500 MHz processor for standard hardware-accelerated performance.

Ubiquiti UniFi Security Gateway (USG) Key Features

- 3 Gigabit Ethernet ports
- 1 million packets per second for 64-byte packets
- 3 Gbps total line rate for packets 512 MB or larger
- Secure off-site management and monitoring
- CLI management for advanced users
- Silent, fanless operation

Capable of routing up to 1 million packets per second, the UniFi Security Gateway can be easily configured through the intuitive UniFi Controller software, which also manages the UniFi Access Points for wireless networking.

Ubiquiti UniFi Security Gateway Router (USG)

Ubiquiti UniFi Security Gateway (USG) - Technical Specifications General

- Dimensions: 135 x 135 x 28.3 mm (5.32 x 5.32 x 1.11")
- Weight: 366 g (12.9 oz)
- Dual-Core 500 MHz, MIPS64 Processor
- 512 MB DDR2 RAM System Memory
- 2 GB On-Board Flash Storage
- 7W Max. Power Consumption
- 12VDC, 1A Power Adapter (Included) Power Supply
- 9 to 24VDC, Supported Voltage Range Power Input
- Certifications: CE, FCC, IC
- Wall-Mountable
- Operating Temperature: -10 to 45° C (14 to 113° F)
- Operating Humidity: 10 to 90% Noncondensing
- (1) RJ45 Serial Console Port
- (3) 10/100/1000 Ethernet Ports

Price: £97.20
