

Ubiquiti Enterprise Wireless Admin Training Course UEWA - UniFi, 23rd-24th January 2019

Product Name: Ubiquiti Enterprise Wireless Admin Training Course UEWA - UniFi, 23rd-24th January 2019

Manufacturer: Ubiquiti Networks

Model Number: UEWA-training-4Gon-Jan

Ubiquiti Enterprise Wireless Admin UEWA UniFi Training Course - 23rd-24th January 2019 - Become a certified Ubiquiti installer

4Gon are a Ubiquiti Authorised Training Partner. What is UEWA?

The Ubiquiti Enterprise Wireless Admin (UEWA) is a qualification which is awarded on completion of the Ubiquiti training course and examination. The UEWA course is ideal for support technicians, system integrators, installers, and anyone wanting to use Ubiquiti UniFi products to deliver wireless-based network connectivity. The UEWA examination will cover the following areas:

- The Ubiquiti UniFi Networking Platform
- WiFi fundamentals and deployment and integration with UniFi Access Points
- The UniFi Controller - Ubiquiti's answer to centralised network management
- Venue - Essex County Cricket Club - Chelmsford on the 23rd-24th January 2019

What Will I Learn?

During our full two-day UEWA training course, you will gain a detailed understanding of:

- WiFi fundamentals (EM and wireless concepts, connections, methods, best practice etc.)
- Network and device management (Specifically focussing on UniFi products)
- WLAN planning (Cell size, coverage, density, airtime, client quantities etc.)
- Deployment (Device placement and identification, channel re-use, site surveys etc.)
- Controller-based management (Device adoption, management, configuration etc.)
- Analytics (Controller and device Statistics, client control, logging etc.)
- Advanced management (Cloud management, CLI management of devices etc.)
- Guest control (Portal, Authentication, voucher systems, payment integration)

Ubiquiti Enterprise Wireless Admin Training Course UEWA - UniFi, 23rd-24th January 2019

The Ubiquiti Training academy UEWA is offered specifically through Ubiquiti's Partners, where the training material, Labs, and courseware have been written and built to ensure they keep to Ubiquiti's high standards; for this reason, the UEWA certification can only be offered and invigilated by Ubiquiti accredited trainers. By attending the UEWA course in person, you gain hands-on learning experience and knowledge of Ubiquiti's UniFi hardware and software. At the end of the training course, you will take the online UEWA certification exam. The online Ubiquiti exam will take roughly an hour to complete, and requires you to gain a score of at least 65% to pass. Upon passing, you will be issued with a certification that awards the individual with credibility when working with UniFi controlled networks.

The Trainer

Your dedicated trainer for the UEWA course is Russell King, a fully accredited Ubiquiti trainer. Having worked with Ubiquiti products for almost 4 years through many consultations, support, and configuration sessions with customers from a wide range of industries, Russell has a comprehensive knowledge of RF theory and Wireless systems. With Russell's expertise and experience, you can rest assured knowing that you're in safe hands!

What You Will Need to Succeed

- Some knowledge of the OSI model and networking is essential as this is an advanced course (routing and switching)
- Bring a working laptop that can be connected to WiFi, and has at least one Ethernet port
- Since there will be practical elements on the course, for example, installing the UniFi controller, please ensure you have the permissions to do so on the laptop that you bring with you.
- Some form of photographic identification is required if you wish to take the UEWA course exam (ie: driving licence, passport)

What Will I Recieve?

When you attend the course, you will receive:

- Free buffet breakfast, lunch, and hot/cold refreshments
- Lab equipment to use during the course
- Access to exclusive 4Gon offers
- Knowledge and guidance from our dedicated, qualified course trainer
- A Lab packet
- A link to the UEWA course book
- A student number (To be used throughout the course)
- Take the UEWA exam

Upon completion of the course, and with an exam result of at least 65%, you will also receive a UEWA certificate, a certificate holder, and a free Ubiquiti T-Shirt!

Detailed 2-Day Course Agenda

Time Day 1 Agenda

09:00 am

You will be greeted by an event host, who will show you to the training location on site.

Ubiquiti Enterprise Wireless Admin Training Course UEWA - UniFi, 23rd-24th January 2019

9:00 - 9:30 am

You will have the opportunity to meet with your fellow trainees and the course hosts, while enjoying hot/cold refreshments and breakfast buffet all included in the course. You will then find your workbench and pair with another trainee.

9:30-10:50 am

We will begin with an overview of the curriculum and the training network you will be working with, as well as unpacking the training kit and setting up your Labs.

10:50 - 11:00 am

Morning tea break for 10 minutes, where you can catch up on your emails, ask any questions, or simply just enjoy a break!

11:00 am - 1:00 pm

Day 1: We will cover UniFi network theory, looking at wireless fundamentals, network and device management, with a focus on UniFi products, and WLAN Planning / Deployment.

1:00 - 1:30 pm

Lunch will be provided, lasting for 30 minutes

1:30 - 3:30 pm

Continue with the scheduled learning for Day 1

3:30 - 3:40 pm

Afternoon tea break for 10 minutes

3:40 - 5:00 pm

Continue with the scheduled learning for Day 1

5:00 pm

End of Day 1 - Networking event (optional) to follow for the evening

Time Day 2 Agenda

9:00 - 9:30 am

Arrive, setup, breakfast buffet, and hot/cold refreshments (all included in the course)

Ubiquiti Enterprise Wireless Admin Training Course UEWA - UniFi, 23rd-24th January 2019

9:30-10:50 am

Day 2's course agenda starts with a quick refresher on the learnings from day 1, followed by hands-on labs covering device management within the UniFi Controller.

10:50 - 11:00 am

Morning tea break for 10 minutes, where you can catch up on your emails, ask any questions, or simply just enjoy a break!

11:00 am - 1:00 pm

Day 2 will cover Analytics, Advanced Management and guest Guest Control (Portal, Authentication, voucher systems, payment integration).

1:00 - 1:30 pm

Lunch will be provided, lasting for 30 minutes

1:30 - 3:50 pm

Continue with the scheduled learning for Day 2

3:50 - 4:00 pm

An afternoon tea break (once the course agenda has been completed).

4:00 - 5:00 pm

You will take the certification exam. This lasts approximately 1 hour and is invigilated by your course trainer.

5:00 pm

End of the course - If you have passed your exam, you will be issued your certificate, holder, and a free Ubiquiti T-shirt!

Please Note - The Ubiquiti Enterprise Wireless Admin Training Course (UEWA) is non-refundable, based on the following:- 25% non-refundable once ordered - 100% non-refundable if cancelled 1 week before
